FLOOR DEBATE

April 3, 2006 LB 1222

SENATOR CUDABACK: Senator Mines, to open on AM3050.

SENATOR MINES: Thank you, Mr. President, colleagues. The amendment that I just withdrew and this amendment both had a sunset date by which each county in Nebraska shall have E-911 services, not to be construed with each county must provide their own E-911 service. Each county in a combination or a PSAP, that could include multiple counties, shall have E-911 service by 2010. I spoke with Senator Fischer about this. And it's just important, I think, long term for the safety and security and Nebraskans that we set a drop-dead date by which every location in Nebraska, every county has, and the residents in those counties have E-911 service. And that's it, Mr. President. Thank you.

SENATOR CUDABACK: Thank you. You heard the opening on AM3050. Open for discussion. There are no lights on, Senator Mines.

SENATOR MINES: I'll waive closing.

SENATOR CUDABACK: Senator Mines waives closing. The question before the body is, shall AM3050 be adopted to LB 1222? All in favor vote aye; opposed, nay. Voting on adoption of the Mines amendment, AM3050. Have you all voted on the Mines amendment who care to? Have you all voted? Record please, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Mr. President, on the adoption of the amendment.
